

### **Notification of School's Participation in Title I Programs**

Valor Academy of Ohio is a Title I school, meaning 40% or more of the student population come from families categorized as low income. Title I funding allows Valor to provide professional development for teachers, provide curriculum through technology with a laptop for each student, special education support and services, and personalized learning.

Parents/guardians have a right to stay involved by attending an annual Title I information session, participating in parent/teacher conferences, reviewing progress reports and report cards.
