Budget Details

Valor Academy, Inc. (019212) - Franklin County - 2024 - ARP ESSER - Rev 0 - ARP ESSER

1. ARP ESSER Assurances

The American Recovery Plan - Elementary and Secondary School Emergency Relief Fund(ARP ESSER) is intended to address the impact that Novel Coronavirus Disease 2019 (COVID-19) has had, and continues to have, on elementary and secondary schools. ARP ESSER funds are used to prevent, prepare for, and respond to COVID-19.

- LEA shall, to the greatest extent practicable, continue to compensate its employees and contractors during the period of any disruptions or closures related to COVID-19, based on the unique financial circumstances of the entity.
- LEA will ensure that every recipient and sub recipient of ESSER funds will cooperate with any examination of records with respect to such funds by making records available for inspection, production, and examination, and authorized individuals available for interview and examination, upon the request of (i) the Department and/or its Inspector General; or (ii) any other federal agency, commission, or department in the lawful exercise of its jurisdiction and authority.
- Any LEA receiving funding under this program will have on file with the SEA a set of assurances that meets the requirements of section 442 of the General Education Provisions Act (GEPA) (20 U.S.C. 1232e)
- LEA will ensure that it will comply with the requirements of section 427 of GEPA (20 U.S.C. 1228a). The LEA commits to maintaining and will produce upon request by the (i) the Department and/or its Inspector General; or (ii) any other federal agency, commission, or department in the lawful exercise of its jurisdiction and authority, a description of how the LEA complied with this requirement including putting in place steps to permit students, teachers and other program beneficiaries to overcome barriers (including barriers based on gender, race, color, national origin, disability and age) that might impede equal access to, or participation in, the program.
- Records pertaining to the ARP ESSER award under 2 C.F.R. § 200.334 and 34 C.F.R. § 76.730, including financial records related to use of grant funds, will be retained separately from an LEA's ESSER funds. The LEA will cooperate with any examination of records with respect to such funds by making records available for inspection, production, and examination, and authorized individuals available for interview and examination, upon the request of (i) the Department and/or its Inspector General; or (ii) any other federal agency, commission, or department in the lawful exercise of its jurisdiction and authority.

2. ARP ESSER Requirements

The LEA acknowledges and agrees to the following additional requirements of ARP ESSER:

- The LEA will comply with the maintenance of equity provision in section 2004(c) of the ARP.
- Not less than 20 percent of the LEA's total ARP ESSER allocation will be used to address learning loss through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, extended school year programs, or other evidence-based interventions, and ensure that such interventions respond to students' academic, social, and emotional needs

and address the disproportionate impact of COVID-19 on student subgroups (each major racial and ethnic group, children from low-income families, children with disabilities, English learners, gender, migrant students, students experiencing homelessness, and children and youth in foster care).

An LEA that receives ARP ESSER funds will either: (a) within 30 days of receipt of the funds, will develop, seek public comment and make publicly available on the LEA's website a plan for the safe return of in-person instruction and continuity of services as required in section 2001(i)(1) of the ARP, or (b) developed and made publicly available on the LEA's website such a plan that meets statutory requirements before the enactment of the ARP. The LEA shall review its plan at least every six months (taking into consideration the timing of significant changes to CDC Guidance on reopening schools).

The LEA will complete any reporting requested by the SEA to comply with all ARP ESSER reporting requirements, including:

• policies and plans in line with the CDC guidance related to addressing COVID-19 in schools;

• plans and policies related to State support for return to in-person instruction and maximizing in-person instruction time, including how funds will support a return to and maximize in-person instruction time, and advance equity and inclusivity in participation in in-person instruction;

• data on each school's mode of instruction (remote, hybrid, in-person) and conditions;

• LEA uses of funds to meet students' social, emotional, and academic needs, including through summer enrichment programming and other evidence-based interventions, and how they advance equity for underserved students;

• LEA uses of funds to sustain and support access to early childhood education programs;

• impacts and outcomes (disaggregated by student subgroup) through use of ARP ESSER funding (e.g., quantitative and qualitative results of ARP ESSER funding, including on personnel, student learning, and budgeting at the school and district level);

• student data (disaggregated by student subgroup) related to how the COVID-19 pandemic has affected instruction and learning.

Additional State Assurance - Ohio Office of Budget and Management (1/14/22)

The LEA will comply with Section 234.10 of House Bill 169 of the 134th Ohio General Assembly regarding the purchase of personal protective equipment (PPE) and will purchase only products that are either (1) approved by the National Institute for Occupational Safety and Health; or (2) Authorized for use by the United States Food and Drug Administration, including under emergency use authorization. The LEA will comply with Section 125.035 of the Revised Code if applicable.

3. ARP ESSER Plan

The LEA certifies that it has engaged in meaningful consultation with stakeholders and give the public an opportunity to provide input in the development of its plan. Specifically, an LEA has engaged in meaningful consultation with students; families; school and district administrators (including special education administrators); and teachers, principals, school leaders, other educators, school staff, and their unions. Additionally, the LEA has engaged in meaningful consultation with each of the following, to the extent present in or served by the LEA: Tribes; civil rights organizations (including disability rights organizations); and stakeholders representing the interests of children with disabilities, English learners, children experiencing homelessness, children in foster care, migratory students, children who are incarcerated, and other underserved students.

The LEA certifies that the ARP ESSER plan is provided in an understandable and uniform format; to the extent practicable, written in a language that parents can understand or, if not practicable, orally translated; and, upon request by a parent who is an individual with a disability, provided in an alternative format accessible to that parent.

1. How will ARP ESSER funds be used to implement prevention and mitigation strategies that are, to the greatest extent practicable, consistent with the

most recent CDC guidance on reopening schools, in order to continuously and safely open and operate schools for in-person learning?

Valor OH recognizes that safe reopening schools and sustaining safe operations to maximize in person instruction is essential for student learning and student well-being. The School will maintain the health and safety of students, educators and other School staff. To support the safe return to in-person instruction and sustain safe operation, the school developed a strategy that includes but not limited to the following procedures: \tilde{A}, \hat{A} . Upon entry, all students, faculty and staff will be temperature checked. Any person with a temperature that is above 100.4, will be given the opportunity to wait 10 minutes and then have their temperature checked again. If it is still above 100.4, they will be turned away. If it is a student, parents will be called to come pick the student up. \tilde{A}, \hat{A} . All students, faculty and staff will be given hand sanitizer upon entry to the school. \tilde{A}, \hat{A} . Hourly handwashing and hand sanitizer will be done for all students, faculty and staff. \tilde{A}, \hat{A} . Disinfecting and sanitizing learning and work environments. \tilde{A}, \hat{A} . Personal Protective Equipment (this protocol is subject to change), will be provided upon request.

2. How will the LEA use the funds it reserves under section 2001(e)(1) of the ARP Act to address the academic impact of lost instructional time through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year?

Valor Academy of Ohio will use the ARP ESSER funds to identify, re engage, and support students most likely to have experienced the impact of lost instructional time on student learning. The following strategies will be implemented to mitigate learning loss. · MindPlay is a web-based reading program. It delivers one-to-one, personalized, systematic, reading instruction. MindPlay features virtual reading teachers who will help your child fill in the skill gaps that are preventing him or her from reading accurately and fluently. The adaptive program modifies instruction to suit the needs of each child. A white paper was prepared to demonstrate a data set from an urban Midwestern school district was mined to explore how the technology based reading enrichment known as Mindplay affects children's performance on the English Language Arts (ELA) Standards state-wide assessment (N = 6098 students from Grades 3 to 9), - iXL - Used to support math and language arts skills for students in after school tutoring and during small group instruction in class during the school day. · Paraprofessional- Schools need paraprofessionals now more than ever, to address learning loss, maintain safety, and restore a sense of normalcy for students. Paraprofessionals will support teachers in mitigating learning loss due to COVID-19 school closures, summer break, disabilities, personal situations, and other circumstances. These individuals provide valuable supports at school and can be part of the supports offered during these times of social distancing and instruction. The engagement of paraprofessionals can provide a sense of personal connection, continuity, and provide instruction that may help avoid regression of previously learned skills/concepts and hopefully advance progress - Dr. Randall Sampson will offer supplemental support to Valor Prep for the 23-24 school year. Dr. Sampson's depth of knowledge and experience in implementing Eduprotocols will directly impact student achievement and engagement. Dr. Randall's proprietary integration of Eduprotocols and leadership improve learning through in-class modeling, PLC support of reading data and implementing strategies based on that data, and his years of experience supporting teachers in the journey to improve school performance. Evidence-based Intervention from a Paraprofessional $\hat{\mathsf{A}}\cdot$ High-impact tutoring Å· Just in time supplemental instruction in pre-requisites skills needed to access upcoming grade level content Å· Small Group and Individualized Instruction A. Differentiation

- 3. How will the LEA spend its remaining ARP ESSER funds consistent with section 2001(e)(2) of the ARP Act? N/A...explanation of how all funds spent is described above
- 4. How will the LEA ensure that the interventions it implements, including but not limited to the interventions implemented under section 2001(e)(1) of the ARP Act to address the academic impact of lost instructional time, will respond to the academic, social, emotional, and mental health needs of all students, and particularly those students disproportionately impacted by the COVID-19 pandemic, including students from low-income families, students of color, English learners, children with disabilities, students experiencing homelessness, children in foster care, and migratory students.

 Valor Academy of Ohio will periodically review data generated from iXL to ensure that the program is benefiting the students mentioned in this question.

5. Briefly describe how the LEA determined its most important educational needs as a result of COVID-19.

Valor OH uses both the benchmark assessment results from NWEA as well as student performance on assessments as well as daily work that is a part of the curriculum to determine student current educational needs.

- 0 5.a.) Estimated number of jobs created or retained as a result of this funding.
- 6. Briefly describe the LEA's proposed timeline for providing services and assistance to students and staff with these funds.

Valor OH will provide services and assistance to students and staff with these funds during the 2122, 2223, and 2324 school years.

7. Briefly describe the extent to which the LEA intends to use ARP ESSER funds to promote remote learning.

If necessary, Valor OH would provide students computers and MiFi devices as needed at home as well as continual access to our digital curriculum. As well as any additional equipment that they may need like amouse or special education technology that would be required to help them be successful with their learning.

8. Describe the LEA's plan for addressing learning loss by: administering and using high-quality assessments to assess students' academic progress and meet students' academic needs, including through differentiating instruction; implementing evidence-based activities to meet the comprehensive needs of students; providing information and assistance to parents and families on how they can effectively support students, including in a distance learning environment; and/or tracking student attendance and improving student engagement in distance education.

NWEA results help teachers identify concepts that students have already mastered as well as what they are ready to learn next and customizes student learning plans utilizing Achieve3000 as well as digital curriculum. Valor OH also holds afterschool tutoring twice a week for an hour to also provide additional support for concepts that students struggle with.

4. ARP ESSER Activities

Select activities that the LEA will implement with the ARP ESSER Fund and provide an estimated amount for that activity (check one or more). The total in the Amount boxes must add up to the allocation.

	·
P = Public	
AMOUNT	a. Activities authorized under ESEA, IDEA, Perkins, McKinney-Vento subtitle B, Adult Education and Family Literacy Acts. Please elaborate below.
AMOUNT	b. Coordinate preparedness and response efforts of LEA with state, local, Tribal, and territorial public health departments and other relevant agencies to prevent, prepare for, and respond to COVID-19.
AMOUNT	c. Activities to address unique needs of low-income students, students with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness, foster youth.
AMOUNT	Develop and implement procedures and systems to improve the preparedness and response efforts of LEA.
AMOUNT	e. Training and PD for staff of LEA on sanitation and minimizing spread of infectious diseases.
AMOUNT	F. Purchase supplies to clean and sanitize facilities of the LEA.

AMOUNT	P	g. Planning for and coordinating during long-term closures (meals, technology, IDEA, and other educational services provided consistent with Federal, state, local requirements).
AMOUNT	ПР	h. Purchase educational technology (including hardware, software, and connectivity) for students served by LEA, including low-income and IDEA.
AMOUNT	P	i. Provide mental health services and supports.
AMOUNT	□Р	j. Planning and implementing activities related to summer learning and supplemental afterschool programs, including providing classroom instruction or online learning during the summer months and addressing the needs of low-income students, children with disabilities, English learners, migrant students, students experiencing homelessness, and children in foster care.
144,370.25 AMOUNT	✓ P	k. Addressing learning loss. Please elaborate below.
AMOUNT	□ _P	I. School facility repairs and improvements to enable operation of schools to reduce risk of virus transmission and exposure to environmental health hazards, and to support student health needs.
AMOUNT	P	m. Inspection, testing, maintenance, repair, replacement, and upgrade projects to improve the indoor air quality in school facilities, including mechanical and non-mechanical heating, ventilation, and air conditioning systems, filtering, purification and other air cleaning, fans, control systems, and window and door repair and replacement.
AMOUNT	□Р	n. Developing strategies and implementing public health protocols including, to the greatest extent practicable, policies in line with guidance from the Centers for Disease Control and Prevention for the reopening and operation of school facilities to effectively maintain the health and safety of students, educators, and other staff. Please elaborate below.
AMOUNT	P	o. Other activities necessary to maintain the operations and continuity of services in the LEA and continuing to employ existing staff of the LEA. Please elaborate below.
